

# 2018 VS&F Junior Tennis Academy

January 15  
to April 8,  
2018

*Engaging and dynamic classes using games and drills to develop tennis skills. Children are motivated to learn through fun lessons adapted for their age range. Classes are sized to allow for individual attention.*

## **Munchkin Tennis (3-4) & Kinder Tennis (5-6)**

An introduction to the sport, children develop their physical abilities with motor skills, agility, team-work, hand-eye coordination and games. They learn the basics of the game while having fun.

## **Mini Tennis (7-8) & Kid's Tennis (9-10)**

This is a very important stage where kids develop their skills in the sport. There is more emphasis on technique, while still being fun.

## **Teens 1 (11-13)**

For those who want to get started in tennis or have limited experience. Learn all the basics of the game, including rules and scoring. Good preparation for a school tennis team.

## **Teens 2 (14-17)**

This is perfect for players who are looking to develop their game. Best suited for those looking to play on Freshman, JV, or Varsity tennis teams.
