(pre-register)

Engaging and dynamic classes using games and drills to develop tennis skills. Children are motivated to learn through fun lessons adapted for their age range.

Munchkin (ages 3, 4, 5)

An introduction to the sport, children develop their physical abilities with motor skills, agility, team-work, hand-eye coordination and games. They learn the basics of the game while having fun.

Kids (ages 6, 7, 8)

This age group is a mix of continual development of agility, team-work, and hand-eye coordination while also beginning to develop finer skills and fun games.

Youth (ages 9, 10, 11)

This is a very important stage where kids develop their skills, emphasizing technique and focus, while still being fun. They also will learn how to play the game and a sense of personal achievement.

Teen (ages 12, 13, 14, 15)

For those who want to get started in tennis or have limited experience. Learn all the basics of the game, including rules and scoring. Good preparation for a school tennis team.

With PTR Tennis Professional Akhnaton (Paco) Aguilar.
